

REQUEST FOR BID 2018-02 BEACH RENOURISHMENT

Town of Pawleys Island 321 Myrtle Avenue, Pawleys Island, SC 29585

The Town of Pawleys Island is seeking bids for the Pawleys Island Beach Nourishment Project. Work to include the provision of labor, materials, equipment, and services required to complete beach renourishment at the Town of Pawleys island, Georgetown County, South Carolina. The Work is generally described as follows:

- A. Dredging by ocean-certified cutterhead suction dredge, placement, grading, and environmental protection as specified under federal and state permits of up to 1,100,000 cubic yards on 13,900 linear feet of Pawleys Island in three reaches.
- B. Sand is to be dredged from the designated offshore borrow areas situated approximately 2.8-3.8 miles off the south end of the project. The priority borrow areas encompass ~320 acres, and the maximum depth of excavation allowed is 5 ft below existing grade.
- C. Total volume of work will be determined based on combination of Base Bid quantity and Alternate Quantity which best suits the Owner's available funds.
- D. The Work shall be conducted between 1 November 2018 and 15 July 2020.
- E. If required, tilling of the beach in accordance with requirements specified in the Project Manual.
- F. Restoration of access and infrastructure to conditions existing before construction.

Interested contractors are asked to provide bids for completion of the Work in accordance with the Contract Documents. Digital copies of the Contract Documents are available on the website tinyurl.com/pawleysnourishment
