

S.C. GOVERNOR HENRY McMASTER ORDERS AN EVACUATION OF ZONE A IN GEORGETOWN COUNTY BEGINNING TODAY AT 12:00 NOON

Town of Pawleys Island, SC – September 2, 2019 – S.C. Governor Henry McMaster has ordered a mandatory evacuation of Zone A in Georgetown County effective today, Monday September 2nd at 12:00PM. Access to the Town of Pawleys Island will be restricted beginning Wednesday at 12:00PM. Pawleys Island is still within the cone of uncertainty, and we can expect to experience tropical storm force winds, heavy rain, flooding, rip currents and coastal erosion.

Evacuation routes can be found here: <http://www.scdot.org/getting/evacuation.aspx>

Latest information regarding Hurricane Dorian can be found here: <https://www.nhc.noaa.gov>

We will continue to disseminate routine updates via email, social media sites and our website.
