**PUBLIC NOTICE**

The Town of Pawleys Island has applied to the South Carolina Department of Health and Environmental Control, Office of Ocean and Coastal Resource Management for general permit coverage for the following activities on the beach: First, install a total of 79 signs advising beach users of the presence of rock groins and to keep off the dunes. The signs will be located approximately every 250ft from the Southern end to the Northern end of the island. Second, install sand fencing and plant dune vegetation to repair damages sustained during Hurricane Ian. The project work will occur from approximately the Third Street Beach Access located at 33°26'19.66N 79°06'54.33W to approximately 2,000 ft North of the Hazard St Beach access located at 33°25'01.90N 79°07'41.75W. Comments will be received by the Office of Ocean and Coastal Resource Management at 1362 McMillan Ave. Suite 400 Charleston, SC 29405
