This description of the **Town of Pawleys Island Storm Drainage system** is based on a complete survey conducted on May 28-29-2008, by Howard Ward (PI planning and zoning committee), Thomas Myers (PI resident), Jim Sanders (PI property owner and civil engineer) and Nate Porchia (PI Public Works Department).

This descriptive information is cross referenced to *Town of Pawleys Island Storm Drains Map,* created in May 2008, and redrawn in June 2008 to show the most up to date and accurate locations of storm drains throughout the island. In this description, and on the map, the storm drains are identified by drain OUTFALLS. For each outfall, the inputs are lettered (A, B, C, etc.), and descriptive coded by type of drain, and location, as follows:

CB - Surface collection box
OD - Open Ditch
OCP - Open culvert pipe without collection box
UG – Underground

N - for drain locations north of the North Causeway to the North end of the Island.
M -for drain locations in middle of the island, North of the South Causeway and South of the North Causeway.
S - for drain locations south of the South Causeway to the South end of the Island.

Within each section (N, M, and S), drains are consecutively numbered. As of this date (June 2008) there are 17 drain outfalls on the north end of the island, 10 drain outfalls in the middle of the island (between the causeways), and 22 drain outfalls on the south end of the island.

North Island Storm Drains Descriptive Data

Outfall	Drains	Description
N 1	A (CB)	on lot #132 Atlantic Ave., runs underground to lot #134 below.
	B (CB)	on lot #134 Atlantic Ave; A and B to CB drain underground toward the street and continues south along Atlantic Ave.
	C (CB)	on lot #136 Atlantic Ave., joins A and B and continues UG across lots # 138, 140 Atlantic Ave., and Shell Road to E CB (now buried by construction) in the northwest corner of lot #144 where it turns west crossing Atlantic Ave. and follows Shell Road west to the creek.
	D (CB)	in the middle of Shell Road Beach Access, using an inch pipe to run 8 feet to open ditch on north side of Shell Road. It looks as if this ditch does not have an outlet- it must just spill across Atlantic Ave.
	E (CB)	Buried in lot #144 Atlantic Ave.
N 2	A (CB)	CB - in bushes behind the lift station on the Third Street Access. UG drain follows Third Street across Atlantic Ave. to B.
	B (CB)	at the front southeast corner of lot #191, at the intersection of Atlantic Ave. and Third Street. UG drain continues to C.
	C (CB)	at rear southwest corner of lot #191. UG drain continues down Third Ave. to D.
	D (CB)	at rear southwest corner of lot#193 and on down to creek by boat landing.

	E (CB)	at the northwest corner of Lot #200, flows UG across Third Ave. to D.
N 3	**A (CB)**	at Lot #210 runs west under Myrtle Ave. to the Creek and south across lots #212 and #214 to #217 where it intersect N 4 A CB which runs across Myrtle Ave. to the creek.
N 4	**A (CB)**	at Lot #217 Myrtle Ave., connected to N 3 A and N 5 A via UG pipe that is located on the east side of Myrtle Ave.
N 5	**A (CB)**	at Lot #222 Myrtle Ave., connected to N3 A and N4 A. Runs under Myrtle Ave. to creek.
N 6	**A (CB)**	at Lot #240, corner of Myrtle Ave. and Second St.
N 7/8	**A (CB)**	N 7/8 A – E are all connected and run across four lots and two streets to the creek with two outfalls. The beginning is at A in the middle of lot #250 Atlantic Ave. and runs UG to B.
	B (CB)	at the front of lot #250 at the R/W of Myrtle Ave. and under Myrtle Ave. to C. Connected to N 7/8 A - E system.
	C (CB)	at the southeast corner of lot #249, thru Lot #249 and Lot #248 Myrtle Ave. to D. Connected to N 7/8 A - E system.
	D (CB)	at P/L between Lots #246 & #248 at Myrtle Ave. and UG to the creek. Connected to N 7/8 A - E system.
	E (AC)	at P/L between Lots #244 & #246, runs parallel to Myrtle and connects to D, in addition - under Myrtle Ave. to the creek. Connected to N 7/8 A - E system.
N 9	**A (CB)**	at R/W of lot #252 Myrtle Ave. UG to creek.
N 10	**A (CB)**	at R/W of lot #262 Myrtle Ave., UG to creek.
N 11	**A (CB)**	at R/W of lot #270 Myrtle Ave., UG to creek.
N 12	**A (CB)**	A – E are interconnected. System begins at A between lots #290 & #294 Atlantic Ave., runs UG under Atlantic Ave., and connects to B.
	B (CB)	at southeast corner of lot #291 Atlantic Ave., runs UG (north) parallel to Atlantic Ave. connects to C.
	C (CB)	At northeast corner of lot #291 Atlantic Ave., connecting from B, and running west, parallel to first St. to D.
	D (CB)	at northeast corner of lot #290, takes a 90-degree turn north, under First St. to E.
	E (CB)	at southeast corner of Lot #278, then UG West along First St. under Myrtle Ave. to creek.
N 13	**A (CB)**	at southwest corner of lot #290, crosses under Myrtle Ave. at a 270-degree angle southwest to the creek.
N 14	**A (CB)**	at northwest corner of lot #308 Myrtle Ave. runs under Myrtle Ave. to creek.
N 15	**A (CB)**	at southwest corner of lot #312 Myrtle Ave. runs under Myrtle Ave. to creek.
N 16	**A (CB)**	at southwest corner of lot #314 Myrtle Ave. runs under Myrtle Ave. to creek.
N 17	**A (CB)**	at southwest corner of lot #320 Myrtle Ave., runs northwest under Myrtle Ave. to creek.
	B (OCP)	at southwest corner of Myrtle Ave., and North Causeway, 8-inch pipe to creek.

Middle Island Storm Drains Descriptive Data

Outfall	Drains	Description
M 1	A (CB)	PI Pavilion Road - connects to underground pipe (filled in ditch) that runs to D and then to the creek.
	B (CB)	PI Pavilion Road - connects to underground pipe (filled in ditch) that runs to D and then to the creek.
	C (CB)	PI Pavilion Road - connects to underground pipe (filled in ditch) that runs to D and then to the creek.
	D (CB)	PI Pavilion Road - water from A, B, and C drain through underground pipe (filled in ditch) to D and then to the creek.
M 2	A (CB)	#334 Myrtle Ave. runs underground along Myrtle Ave. across lot #338 to C (CB) on lot #344.
	B (CB)	#338 Myrtle Ave. runs underground along Myrtle Ave. to C (CB) on lot #344.
	C (CB)	on lot #344 Myrtle Ave. runs under Myrtle Ave to creek.
M 3	A (CB)	on lot #346 Myrtle Ave. runs under Myrtle Ave. to creek.
M 4	A (OCP)	Open culvert on each side of driveway, empties into B (CB) on lot #360.
	B (CB)	on lot #360 Myrtle Ave. runs under Myrtle Ave. to creek.
M 5	A (CB)	CB on both sides of driveway at #370 Myrtle Ave., runs under Myrtle Ave. to creek.
	B (CB)	CB on both sides of driveway at #370 Myrtle Ave., runs under Myrtle Ave. to creek.
M 6	A (CB)	on lot #380 Myrtle Ave. runs under Myrtle Ave. to creek.
M 7	A (OCP)	on lot #384 Myrtle Ave. runs under Myrtle Ave. to creek.
M 8	A (OCP)	6" PVC pipe runs under driveways at # 96, #394, and #392 Myrtle Ave., connects to CB at #390 Myrtle Ave.
	B (CB)	at #390 Myrtle Ave., runs under Myrtle Ave. to creek.
M 9	A (CB)	between lots #410 & #412 Myrtle Ave.
M 10	A (CB)	CB located on WEST side of Myrtle in parking lot of #416 Myrtle Ave.

South Island Storm Drains Descriptive Data

Outfall	Drains	Description
S 1	A (OCP)	runs south along the west side of Myrtle Ave from lot #442 across lots #444, #446, & #448 through OD (wetlands) to lot # 450 at B (CB).
	B (CB)	on lot #448 Myrtle Ave, drains thru an UG pipe to C
	C (OCP)	at lot #450 Myrtle Ave., drains thru an UG pipe behind GTCW&S lift station, which carries the water to D at lot 454 Myrtle Ave.
	D (OCP)	at Lot #454, runs under Myrtle Ave. to creek.
S 2	A (OCP)	at lot #466, runs under Myrtle Ave. to creek.
S 3	A (OC to OCP)	at lot #480 to East side of Myrtle Ave., runs under Myrtle Ave. to creek.
S 4	A (CB)	at lot #490 Myrtle Ave. connected by a pipe running parallel to west side of Myrtle Ave. to #496.
	B (CB)	at lot #496 Myrtle Ave. runs under Myrtle Ave. to creek.
S 5	A (CB)	at lot #500 & #506 Myrtle Ave., connect by UG pipe to S 5 B.

	B (CB)	at northwest corner of #500 runs under Myrtle Ave. to creek.
S 6	**A (CB)**	at middle of lot #506 Myrtle Ave. connects by UG pipe to S 6 B.
	B (CB)	at south end of #506 Myrtle Ave, runs under Myrtle Ave. to creek.
S 7	**A (CB)**	at lot #510 Myrtle Ave., connects to B and C.
	B (CB)	at lot #512 Myrtle Ave., connects to A and C.
	C (CB)	drain to the creek at lot #516 is connected by a parallel pipe on the east side of Myrtle Ave, with A, B, D, & E, runs under Myrtle Ave. to creek.
	D (CB)	at lot #518 Myrtle Ave. connects to E and C.
	E (OD)	at lot #520 Myrtle Ave. connects to D and C.
S 8	**A (CB)**	at lot #570 Myrtle Ave.
S 9	**A (CB)**	at west side of lot #622 Scarborough Ave. runs under Pritchard St. to creek.
S 10	**A (CB)**	at east side of lot #622 Scarborough Ave. runs under Pritchard St. to creek.
S 11	**A (CB)**	at west side of lot #623 Doyle Ave. runs under Pritchard St. to creek.
S 12	**A (CB)**	at east side of lot #623 Doyle Ave., runs under Pritchard St. to creek.
S 13	**A (CB)**	CB - at northwest corner of Springs Ave. and Pritchard St., connect under Springs Ave, to B, then to C, D, to creek.
	B (CB)	at southeast corner of lot #623 Springs Ave. connects under and along Pritchard Ave, to C.
	C (CB)	at southwest corner of lot #622 Doyle Ave. connects under Pritchard to D.
	D (CB)	at northwest corner of lot #606 Pritchard Street and empties into marsh.
S 14	**A (CB)**	partial CB, located on the west side of Springs Ave. at lot #637 has 8" pipe to marsh.
S 15	**A (CB)**	at #652 Springs Ave. on west side of street.
S 16	**A (CB)**	at #658 Springs Ave. on west side of street.
S 17	**A (CB)**	at #668 Springs Ave. on west side of street.
S 18	**A (CB)**	at #682 springs Ave. on west side of street.
S 19	**A (CB)**	at #696 Springs Ave. on west side of street.
S 20	**A (CB)**	at #716 Springs Ave. on west side of street.
S 21	**A (CB)**	at #734 Springs Ave. on west side of street.
S 22	**A (CB)**	at #758 Springs Ave. on west side of street.
S 23	**A (CB)**	at southwest corner of Georgetown County Park at end of Springs Ave.
